CSC 8310 Project Submission Checklist

Name: **Email:**

Complete and submit this sheet online or in class. This checklist is due by the date specified on the project handout.

Project Checklist

1. Please check the features you have implemented. **Note:** 'Interger Constants' and 'Not Expressions' were supplied to you. They are included in this list for the sake of completeness. Also, the value classes are not listed here.

Integer Constants	X
Boolean Constants	
Binary Expressions (arithmetic, relational, logical)	
Variable Expressions	
Not Expressions	X
Assignment Expressions	
If-then-else Expressions	
While-do Expressions	
Let-val Expressions	
Sequence Expressions	
Application Expressions	
Let-fun Expressions	

2. Any known bug(s) in your implementation?

3. Villanova University prides itself on maintaining the highest standards of academic integrity and does not tolerate any forms of academic dishonesty or misconduct. Accordingly, you are asked to read and sign the following:

   I hereby affirm and attest that, except for the pre-supplied pieces of code, the program submitted herewith is the result of my own efforts. I have not had any unsanctioned access to this project. If needed, I consent to submitting my files for plagiarism detecting software and tools. I understand that consequences of infractions, howsoever minor, may be severe.
